Dear Ms Quinn

Thank you very much for your generous gift of £66.62 raised at Christmas Tree Light Switch on in Kirkoswald. We greatly appreciate this donation which will enable us to continue providing vital hospice care in the home within our local community.

Thank you very much for choosing Hospice at Home as the beneficiary of your fundraising efforts. We hope you enjoyed your event, please pass on our heartfelt thank you to all of your guests and donors for their generosity.

2017 is a special year for Hospice at Home as we reach our 20th Anniversary. Your wonderful support has enabled the Clinical Team to care for over 6,000 patients and their families during this time and we are proud to provide this vital service in the north and east of Cumbria. This could not have been achieved without kind people like you - thank you for helping us reach this significant milestone!

Our aim has always been to provide a peaceful and dignified death for the patient, whilst also supporting relatives and carers. This ethos is at the heart of our care and will always remain so. With your support, our plan for the future is to provide 'More Care for More People' and your gift today will greatly help us to achieve this.

Thank you for making a difference for the patients, families and carers of tomorrow.

With best wishes

Julie Blundell
