

B4RN for Kirkoswald Parish

You are invited to a public meeting on Saturday 9th October at 11am in the Church Institute Kirkoswald.

There will be staff from B4RN and the latest maps to show you where the ducting will run to your property. There will be more details about how the project will be rolled out.

We are still looking for volunteers to dig and do other jobs, more details on the day.

Don't forget you can invest in B4RN and get 5% per annum. Investment is for a minimum of 3 years and £1,500 gets you a free connection. You can earn up to 4 free connections but invest anywhere between £100 and £100,000.

In the near future there will be a report from the Phone Guys about using VOIP with your B4RN connection posted on the Parish Council website, <https://www.kirkoswaldparishcouncil.co.uk/> and on the project forum page on Facebook.

Thanks to the Phone Guys for all their hard work on this. For more details contact Sue Quinn, Brian Smythe or Jenny Ryan.
